## MARKING TIME

The road behind me disappears  
In a haze of vague regret  
The road ahead is still unclear  
There's a mist that hides it yet  
So here I stand on shifting sand  
Waiting for a sign  
I'm standing at the crossroads  
Marking Time.

Chorus:

Listen to your heart  
It's the only road to follow  
When all your dreams have flown  
Let your heart lead you home.

The wheel of time spins unconcerned  
The short years come and go  
And as it spins, the more I learn  
The less I seem to know  
On the run downhill with no answers still  
To this foolish pantomime  
I'm standing at the crossroads  
Marking Time.

Chorus:

Listen to your heart  
It's the only road to follow  
When you're weary and alone  
Let your heart lead you home.

Yet sometimes when I lift my eyes  
The road ahead is clear  
The mist was just a thin disguise  
To hide my deepest fear  
To live the light or to fear the night  
I know this choice is mine  
When I'm standing at the crossroads  
Marking Time.

Chorus:

Listen to your heart  
It's the only road to follow  
Though the future is unknown  
Let your heart lead you home.
