Old Friends

Shake my hand and say goodbye,
Look me squarely in the eye
There's no-one here but you and I
So say goodbye my old friend

Let's have one last drink for auld lang syne
One last toast to happy times
To memories shared, yours and mine
Happy times, my old friend

747, spread your wings.
Let's hear your engines roar
Somewhere a new life waits for me and all that's gone before
Soon will be no more, my old friend

Old friends are the best friends,
They love you without questions
Old friends

So shake my hand and say goodbye,
Look me squarely in the eye
If you don't break then neither will I
Just say goodbye, my old friend

And should we never meet again
Somewhere along the road
The thought of you will warm my heart everywhere I go
I though you'd like to know, my old friend

Old friends are the best friends,
They love you without questions
Old friends
