## KEEPER OF THE FLAME

Now I've been hearin' voices for some time  
Rattlin' around inside this head of mine  
And late last night just before I went to bed  
I was brushin' my teeth when my toothbrush suddenly said  
"The damn Government is a-comin' to take your guns  
And if you love Freedom, you won't let them son  
The Country needs real men like you in times like these  
Or soon we'll all be eatin' fried rice and speakin' Chinese!"

Chorus:

Who boy? You boy - you're the keeper of the flame I tell you  
Fight boy, for your rights boy - don't buy the crap they're tryin' to sell  
you  
First they'll take your guns then they'll take your rights  
This country's bein' run by Commies, Poofers and Dykes.

And I've had to stop watchin' the TV  
'Cause the Weatherman on Channel Ten's spyin' on me  
Secret agents follow me everywhere I go  
And my phone is bein' tapped by ASIO  
I know this Government is turnin' Fascist when  
It persecutes it's peace-lovin' citizens  
They must see me as a threat to be destroyed  
God, some people are really paranoid!

Chorus:

Who boy? You boy - you're the keeper of the flame I tell you  
Fight boy, for your rights boy - don't buy the crap they're tryin' to sell  
you  
Forget the olive branch and the white dove  
The true symbol of peace is a Kalishnikov.

Refrain:

I'll keep my guns, oh yes I will  
I love the way they look and feel  
Love to hold them in my hands  
Make me feel like a real big man  
Nothin' makes me more ecstatic  
Than a semi-automatic  
The more I have in my collection  
The more enormous my erection.  
Love to own them, love to shoot them  
Love them so much I wish I could root them .....(Germanic Rave!)

You know guns don't kill people, other people do  
And if you don't believe me look at World War II  
They say millions of unarmed women and children died  
If they'd all had a gun they'd have had a chance to survive  
The intellectuals say that's a specious argument  
Though I've never been quite sure what specious meant  
Because I'm not a clever-dick with a college degree  
And I don't like smart-arse poofs who talk down to me.

Chorus:

Who boy? You boy - you're the keeper of the flame I tell you  
Fight boy, for your rights boy - don't buy the crap they're tryin' to sell  
you  
It's no good singin', "We Shall Overcome"  
The only lasting peace comes from the barrel of a gun.

Refrain:

I love my guns, oh yes I do  
Though they're designed to kill it's true  
I just shoot roadside signs and vermin  
So don't give me your bleeding heart sermons  
And now you bastards say  
You're gonna take my guns away  
If you don't come to your senses  
You'll have to bear the consequences  
If our harmless toys are banned  
Rivers of blood will stain this land .....(Germanic Rave!)

Guns are safe, guns are OK  
Give them to your kids on Christmas Day  
Give your Granny's day a lift  
A Magnum .44 is an ideal gift  
Guns are bonzer, guns are beaut  
Easy to use, just aim and shoot  
Guns are groovy, guns are trendy  
Guns are designed to be user-friendly  
Guns by themselves won't kill  
Though people who use them sometimes will  
Guns are safe, etc.
