Peace Has Broken Out

Peace has broken out, the people have spoken out
We can have it now – peace
The walls are tumbling down, old hatreds crumbling down
We can have it now – peace
After all these year, after all these years

I can almost touch it, I can almost taste it
Never thought I'd see it – peace
Peace for the making, peace for the taking
Peace for our children – peace
After all these years, after all these years

Chorus:

Now is the time we've been given one more chance
Reach out, reach out and take the future in our hands
People rise and show you power, seize the day, seize the hour
The future's here. The future's now

The white dove's winging now, a song she's singing now
A gift she's bringing now – peace
Never thought I'd touch it, never thought I'd taste it
Never thought I'd see it – peace
After all these years, after all these years.
