She'll Be Right

This old country's goin' to rack and ruin
Seems like all we want to do is drink and fight
But let's ignore the fuss, got nothin' to do with us
Just sit back and relax mate, she'll be right

Chorus:

She'll be right mate, she'll be right mate
Thank God I'm blessed with shortness of sight
So never mind chum, just sit down on your bum
And have another schooner she'll be right

This country's full of bludgin' whingin' Pommies
Bitchin' about everything in sight
Australia's goin' to the dogs, far too many bloody wogs
Just kick them all out mate, she'll be right

In Vietnam our brave soldiers are still fighting
For freedom and democracy with all their might
So never ask why, just get out there and die
And like the Dardanelles mate, she'll be right

In Bangladesh the children are still dying
For want of food and they can't get a bite
But never mind digger, what's another flamin' nigger
Just have another pie mate, she'll be right

But let's supposing folk like you and me
Were to burn down every single T.A.B.
Then they'd start to whine "They've desecrated our shrine!
It's those bloody students again and it's not right!"

Alternative chorus (after 5th verse only):
It's not right mate, it's not right mate
Send the whole lot off to Vietnam to fight
Send all long-hairs as well, while we sit in the RSL
And tell each other bravely "She'll be right"

So come all you young people of Australia
And help to make your fathers see the light
Make them sit up and take heed, stretch a hand to those in need
And maybe on that day mate she'll be right.

Final Chorus:

She'll be right mate, she'll be right mate
When all of our fathers see the light
When they sit up and take heed, stretch a hand to those in need
Well on that lovely day mate, she'll be right!
